Many thanks to the Olsburg Community for their hugs, messages, cards and kind words at the passing of our dad and brother, Wes Holt.

We will hold will be a memorial service on

Saturday, April 4th at 11am

Please join us at Holt's Happy Hollow, 22020 Oliver Creek Rd, Westmoreland KS. All are welcome as we honor and remember Wes.

Thanks again and love to you all,

The Family of Wes Holt

Thank You

**** I was supposed to stay put but still move around, but at least once a year I found myself in someplace new. I'm no longer here but not forgotten! What am I?*

I AM THE MERRY-GO-ROUND FROM THE GRADE SCHOOL! EACH HALLOWEEN, THE LOCATION OF THE MERRY-GO-ROUND WOULD CHANGE... MAIN STREET, THE ROOF OF THE SCHOOL, THE BRIDGE - YOU NEVER KNEW WHERE IT WOULD END UP!

APRIL QUESTION OF THE MONTH...

Can you name at least 5 of the previous names for the grocery store in Olsburg?

And... congrats to Karen Lundberg for her correct answer for March!

Walk Kansas 2026 Program

Registration opens March 1 for the 2026 Walk Kansas program, an eight-week initiative offered by Kansas State University Extension designed to help participants build healthier habits through physical activity, nutrition and overall wellness.

The program runs March 22 through May 16 and is open to individuals and teams in Kansas and beyond.

"Walk Kansas is an eight-week health initiative," said Sharolyn Jackson, state leader of K-State Extension's Walk Kansas program. "It's focused on physical activity, but it brings a lot more into the program than that. We also focus on wellness in general, on healthy eating, on managing stress and getting better sleep, all those things that factor into overall wellness."

While Walk Kansas is primarily team-based, participants may also register as individuals. The new online system allows teams of any size, though four members is considered an ideal number.

"A team of four is a great number because it's a good size where you can encourage each other," Jackson said. "But if you just have a team of two, that'll work too. It will prorate your activity minutes and put everybody on a level playing field."

Participants track minutes of activity or steps through the program's online portal. The system automatically converts activity to miles, counting 15 minutes of activity as one mile or 2,000 steps as one mile.

Walk Kansas is built on the Physical Activity Guidelines for Americans, which recommend at least 150 minutes of moderate physical activity each week. Jackson describes moderate activity as working at a pace where a person can carry on a conversation, but not sing.

"It's not just a leisurely stroll," she said. "It's picking up the pace a bit to get the heart rate going." The program also encourages participants to incorporate strengthening activities at least two days per week, such as resistance bands, light weights or body-weight exercises.

Beyond physical activity, Walk Kansas promotes healthy eating. Participants track fruit and vegetable intake through the online system, often discovering they eat fewer servings than they realized.

Weekly newsletters provide educational information in a blog format, including tips for increasing activity, managing stress and improving sleep. The program emphasizes a Mediterranean-style eating pattern and includes recipes aligned with each week's nutrition message.

Webinars — recorded for later viewing — cover topics such as gut health, workplace relationships, fostering kindness and connection, increasing activity at work and communicating effectively with health care providers.

Jackson said organizers are placing additional emphasis this year on workplace participation. More than half of Walk Kansas teams historically have formed at worksites.

"We spend a lot of time at work," Jackson said. "If you're working toward a common goal or supporting each other, people feel better and are probably less inclined to miss work."

She added that employers who promote wellness programs may see benefits such as improved productivity, enhanced morale and teamwork, reduced long-term health care and workers' compensation costs, and improved employee retention.

Walk Kansas averages more than 4,000 participants statewide each year. There are no age limits; participants have ranged from young children to people in their 90s. Youth through high school may participate at no cost. The standard registration fee is \$10 per person, which covers access to the online tracking system and program materials.

Participants also may invite friends or family members from outside Kansas — even overseas — to join their teams.

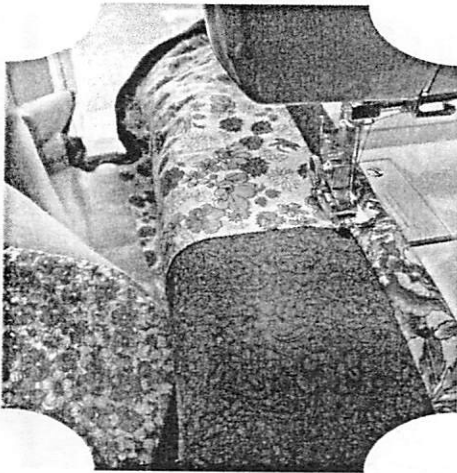

"We're just trying to get people to get up and moving whatever way they can," Jackson said. "How can you build more movement into your day? Whatever little tips and tricks we can offer, we'll provide those through Walk Kansas."

Erin Tynon, FCS Agent for Pottawatomie County, will be administering the program for Pottawatomie and Marshall County. More information on registering can be found at walkkansas.org, or by calling the Pottawatomie County Extension office at 785-457-3319. Registration will begin March 1. The cost is \$10 per person.

Lutheran World Relief quilts and kits offer comfort and care to those who need it most.

Water and Sewer Rates to Change in April

Beginning April 1, 2026, rates for Water will increase from \$4.50/1000 gallons to \$5.00/1000 gallons.

Sewer rates will increase as follows:

- * Residential customers will increase from \$18.00/month to \$24.00/month;
- * School from \$31.00/month to \$37.00/month;
- * Restaurants from \$22.00/month to \$28.00/month;
- * Business and Commercial from \$31.00/month to \$37.00/month.

Rate increases will be seen on utility bills sent in May 2026 for April's service. There is no change in rates for trash service.

Contact City Hall if you have questions regarding these rate changes. 785-468-3209.

City of Olsburg Dispersal of Equipment

The City of Olsburg is selling the equipment listed below. Items will be listed on Purple Wave for auction. If you are interested in any of the items, please watch Purple Wave for listings.

2007 JD 4520 Compact Utility Tractor will be sold with the following attachments:

- ❖ 1600 hours
- ❖ Front Wheel Assist
- ❖ Frontier 72" Debris Bucket,
- ❖ 2006 Frontier RB2084 84" Blade,
- ❖ 2007 JD 400X CP Loader W/73" Debris Bucket,
- ❖ TRI-L 48" Pallet Fork for JD 400CX Loader,
- ❖ Bush Hog

City of Olsburg, Kansas March 4, 2026 Regular Meeting Summary

The regular meeting of the Olsburg City Council was held on March 4, 2026. Mayor Cassel reviewed the council members in attendance and determined there were not enough members present to provide a quorum.

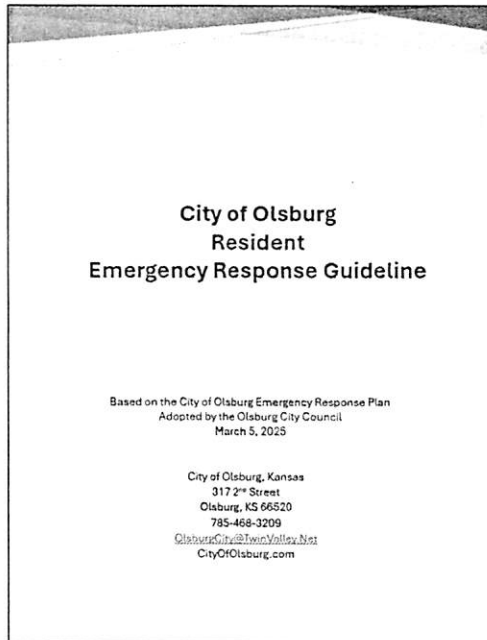

Those present were Mayor Aric Cassel; Council Members John White and Kyle Rootring; City Treasurer Gregg Gibson, City Water Superintendent Lyle Blockcolsky and City Clerk Jeannie Johnson.

One guest was present: Pottawatomie County Sheriff Deputy Dale Rice.

No action was taken on any agenda items.
The meeting was dismissed.

Emergency Preparedness Reminder

As we enter severe weather season please make sure your household has a copy of the Resident Emergency Response Guideline on hand to refer to in the event of damaging storms.

Every customer was mailed a copy of the Response Guideline May 2025. If you cannot locate your copy, please contact City Hall. We have copies on hand for you to pick up or we can mail a copy at your request.

The steps to take in the Tornado/Major Windstorm section on page 2 is most important for everyone in your household to know and understand.

Following the guidelines in case of an emergency or disaster will help your City Council and Staff respond effectively in the initial hours immediately following a storm.

If you have any questions regarding the Response Guidelines, please let us know. If you have any questions others probably do as well. Communication is imperative

before a disaster strikes to ensure proper and timely responses in the wake of emergencies.

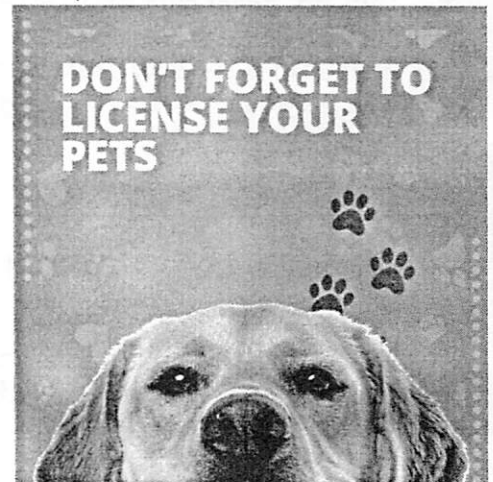

Dog Licenses Due April 15, 2026

Dog Licenses and Rabies Vaccinations – The City of Olsburg requires all dogs to be licensed by order of Ordinance NO. 348 (available online at cityofolsburg.com/ordinances).

To receive your pet tags:

1. **Complete a Dog license application. Forms are available at www.cityofolsburg.com**
2. **Provide a copy of your pet's most recent vaccinations record.**
3. **A recent photo of your pet(s) is required.**
4. Tags are \$5.00/each for spayed and neutered dogs, \$15.00/each for un-spayed and un-neutered dogs.

Licensing your pet and having a photo helps us find you if your pet becomes lost; rabies vaccinations prevent the spread of the deadly rabies virus and protects the public.

If you own a dog that has not been licensed in the past now is the time to get your fur baby registered. We get many calls asking who the owner of a dog might be, but we can't answer that question because the pet is not licensed and we don't have a photo of the dog.

ALL dogs living within the city limits are required to be tagged.

For more information contact Olsburg City Hall at (785) 468-3209. City Hall is open Monday-Friday from 8 am to 10 am.

FROM WASTE MANAGEMENT

March Spotlight: Clear the Clutter Safely

The Issue: During big clean-out projects, hazardous items like motor oil, pool chemicals, and oil-based paints often end up in the trash by mistake. These items pose a serious fire risk to our trucks and can lead to environmental hazards if they leak.

Safe Disposal Tips:

*** Separate the Hazards:** If a product is flammable or toxic, it should not go in your household trash. Please contact the Pottawatomie County Transfer Station 8585 Wheaton Road Wamego, KS 66547, Phone: 785-456-9706 for information on where a local hazardous waste drop-off point is located.

*** Bag for Safety:** Ensure all loose spring-cleaning debris, like old rags, dust, or small household items, is securely bagged to prevent litter during collection.

*** Repurpose First:** If you are clearing out furniture, clothes, or working appliances, consider a local donation center. Giving items a second life is a great way to ensure Material is Repurposed.

The Core Goal

Handling spring cleaning waste responsibly protects our drivers and ensures that our community's waste is managed as efficiently as possible. For more resources on waste safety, visit <https://www.wm.com/us/en/recycle-right>. Thank you for helping us keep our community clean and our workers safe!
