This month is all about the festival and the new re-designed Utfard. Changes are sometimes difficult, but new leadership means new ideas! We are excited with all the possibilities. We hope to see you all for a fun-filled weekend in and around Olsburg.

Our "Guess Who" clues for July were leading you to the following:

1. All types of weather!
2. Obviously we were looking for someone who cooks!
3. That song by Johnny Mathis just kept ringing in my ears. "I get MISTY" just holding your hand...

Yes – we were looking for guesses of Misty Wege! Misty spends her days (and most evenings) at the Farmhouse making sure no one goes hungry 😊

GUESS
WHO
CLUES

1. An avid fisherman, a neighbor and a friend named for a male turkey.
2. After Willie – a new logo emerged.
3. High atop a hill is where the artist calls home.

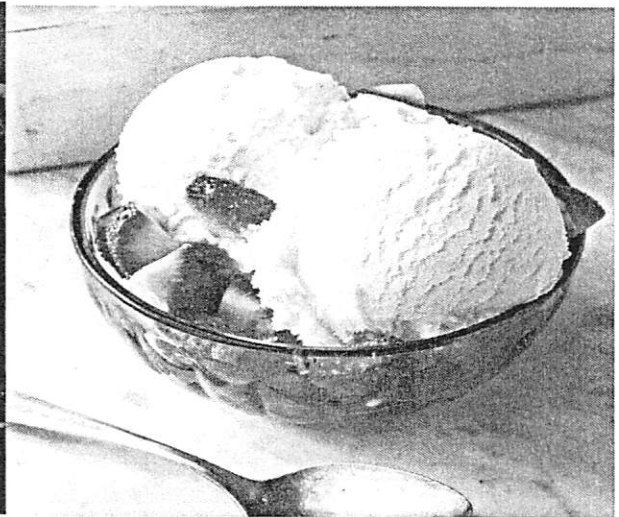

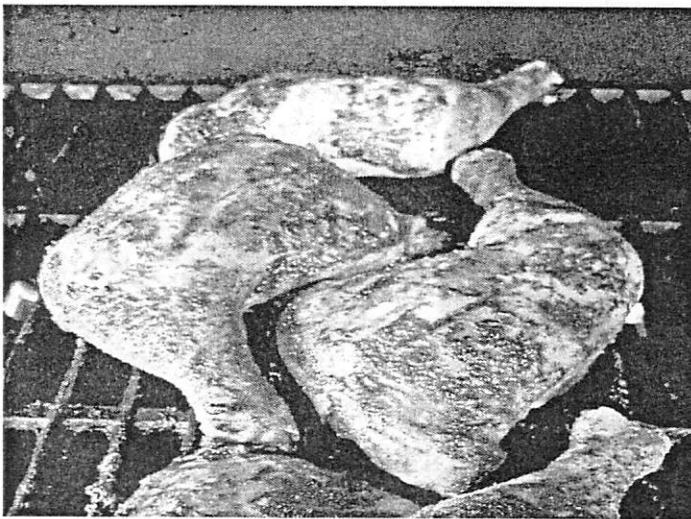

Congrats to
Monty Roblyer for his big win this month.
Enjoy your prize!

November 4, 2025 Election

Anyone interested in running for Mayor or City Council contact City Hall, 785-468-3209, or the Pottawatomie County Election Office 785-457-3314.

Write-in candidate's names will not appear on the ballot and as the name implies those people will need to conduct a campaign to have constituents write their name on the ballot when voting.

The position of Mayor and two Council seats are up for election.

Current Mayor, Aric Cassel has filed for re-election with the Pottawatomie County Elections Office. His name will appear on the November ballot.

Qualifications to be a Candidate are:

- ✓ Must be 21 years of age
- ✓ Must be a registered voter
- ✓ Must be a resident within the city limits of Olsburg

Between now and November 4th, those interested in running for office are encouraged to attend as many Council meetings as possible. This will be a benefit by becoming familiar with the issues brought before the Council and allow the candidate to learn how the process of local government works.

Of course, all meetings of the City Council are public meetings and are open for the public to attend.

If you are interested in obtaining more information regarding what is involved with being on the City Council or would like more information regarding conducting a write-in campaign, please stop by City Hall!

Are you registered?

Get Registered to Vote!

This is also a good time to remind everyone you can register to vote at the County Clerk office in Westmoreland. If you turn 18 years old before election day (November 4, 2025) you are eligible to vote and can register anytime!

Text Message Service: The Quickest, Easiest Way to Get Information

As we approach summer, please consider opting in to our city text message service. Opting in will allow you to receive alerts from the city regarding information you need for changes in trash service, following storms and other urgent notifications. The text message service is the fastest way for the City to get information out to our residents, which can be critical in the event of a major weather event and residents need to know how to respond.

We are making it easier for *residents* of the City of Olsburg to opt in to receive text messages from the City.

- ❖ All you need to do is send the following information via email to olsburgcity@twinvalley.net:
- ❖ Please provide the following information:
 - 1) The phone number to be added.
 - 2) The name of the person whose phone is to be added.
 - 3) The address of the person whose phone is to be added.
- ❖ Your email will serve as your agreement to opt in to the text message service.

For those living inside or outside of the city limits of Olsburg, please subscribe to Everbridge at <https://www.pottcounty.org/431/Emergency-Alerts> and follow the sign up instructions for general alert notifications.

Utility Billing Processed on New System

Olsburg resident's monthly utility bill looked a little different from what you've received in the past. July's billing was the first time using our new Solus billing system and it all went pretty well! If you ever have any questions regarding how to read your bill, please don't hesitate to contact City Hall. We'll go over your bill with you to ensure you know what you are being charged for!

Email Billing Available!

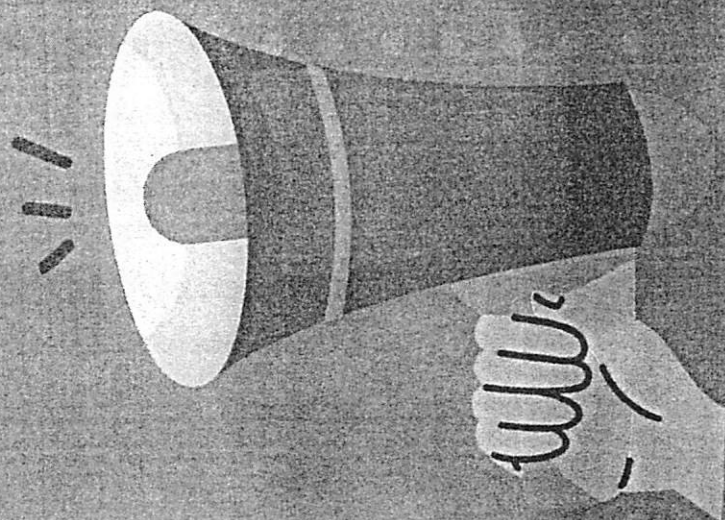

As a reminder, USPS mail service has become more and more unreliable in getting our billing postcards out to our customers. Over the past year and a half we've had many complaints of bills not being received or arriving damaged.

To make it easier for our customers to receive their bills in a timely manner, email billing is available with our new billing software. Customers can receive a bill via email, through regular mail or both.

If email billing is something you want to take advantage of, please send an email to olsburgcity@twinvalley.net with the subject line Email Billing and include the email address you prefer your bills to be sent to and if you want to receive bills by email only or both email and regular mail.

Congratulations to our August winners...

John & Kotie White

The Yard of the Month award has been a successful way to highlight members of our community who go the extra mile to make our town look great, but there are so many moments driving through town that make you stop and say,

JUST WOW

the “Just Wow” award will be for any type of planter, tree, yard art, or a just mowed yard - the possibilities are endless.

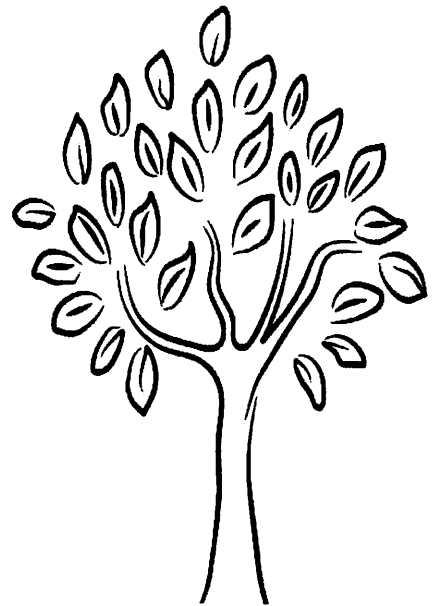

It's all about catching the eye of someone driving by – and...

Making our town a more beautiful place.

As always, this is judged by folks from outside our community, and what a great way to reward someone for all their hard work!

We hope you will join us as we move forward with something new. Let's all do our best to encourage someone stop, look, and say...
